Account Protection Options

Guaranteed Asset Protection (GAP)

Guaranteed Asset Protection (GAP) protects you against financial loss in the event your vehicle is damaged beyond repair (totaled) or stolen and never recovered. GAP eliminates or reduces "out of pocket" expenses for the remaining loan balance after loss settlement. Without GAP you would be responsible for paying the difference between the insurance settlement and the outstanding loan balance. A one-time fee will provide GAP coverage for the life of your Farm Bureau Bank vehicle loan.

Would you like to add Guaranteed Asset Protection? Yes No

Major Mechanical Protection (MMP)

Major Mechanical Protection helps you avoid vehicle repair costs not covered by the standard manufacturer warranty. In most cases, this plan eliminates out-of-pocket expenses outside of your deductible. Bottom line, you can save a bundle over other service contacts or equivalent warranties with a Farm Bureau Bank MMP plan. Select yes below and a Farm Bureau Bank representative will contact you with a quote base on the information you provided.
